Dear Member, - There will be a ^{joint} meeting of N. N. and N. A. League on Tuesday June 1st at Phila Pa..

This is by order of President Tom Wilson of N. N. L. I called Tom today and told him it would be impossible for me to attend the meeting as we have our monthly meeting of School Board on first Tuesday of each month.

Sorry I can not be present, but this is the only day in the month when I must positively be at my elected job as newspaper man and Tax payers attend our meetings and

it will look bad if I am not there, especially
when they know I am connected with
baseball.

I don't know what is on Tarr and Martin's
mind.

Martin wrote a letter to Art Carter asking
him to publish that Goose Curry stole
a watch years ago. Pretty small.

I hope our league meets before the joint
meeting so every one will have a voice.

Sorvig and Lee will be present.

Yours

Curry Osby
